Dedication

In the fall of 1959 there came to Holmes Junior College to head the Home Economics Department a person who has since that time come to mean a great deal more to the college, the faculty, and the students than the teacher of Home Economics.

In addition to the classes in her field of work, she organized the home economics group into The Lottie Peebles Home Economics Club and has sponsored it for fourteen years, as well as sponsoring The Future Homemakers of America Club until 1966, when the Holmes Agricultural High School was closed.

An active member of her church and its related activities, she served as sponsor of the YWA on the campus from 1960 to 1967.

Her worth as a sincere friend of students caused her to be selected as sponsor of the College Student Council from 1959 until 1962. In 1963 she was made Dean of Women, in which capacity she served until 1969 with dignity and charm. In the 1968-69 session she was advisor to the first Women's Council on our campus.

Since 1966, in addition to her many other duties, she has been sponsor of HORIZONS, the college yearbook. Our yearbook now ranks along with the best in the nation.

To Miss Christine Carithers, this many-talented, high-principled Christian lady who has left on so many students the impact of her sincere friendship and dedication to duty, we proudly and humbly dedicate this the 1972-73 edition of HORIZONS.

MISS CHRISTINE CARITHERS

See the eyes of the future
as it rises and falls
on you ...

I have witnessed the happening
of my life into time
I have stood where you stand -
and sensed the coming age ...

Knowledge best presents itself
In experience - how keen you are ...
your courage, your growing wisdom -
Knowledge I have found in time ...
You stand where I have stood ...

Now I can close my eyes -
I have seen you this day,
for tomorrow ...
May Times' infinite wisdom
touch you gently -
in your eyes ...

In these days ...
be kind to yourself -
there is no other ...
From these moments on,
look at the next day -
Cherish the smile on your face,
Marvel at the glitter in your
eyes ...
frown upon your misgivings,
but listen to the words that greet
you
with happy thoughts ...
Then,
for all days
Mount your heart high
Yet reach higher still to touch
it ...
it is only yours
forever - there is no other.

KEITH MERRITT

Student Life

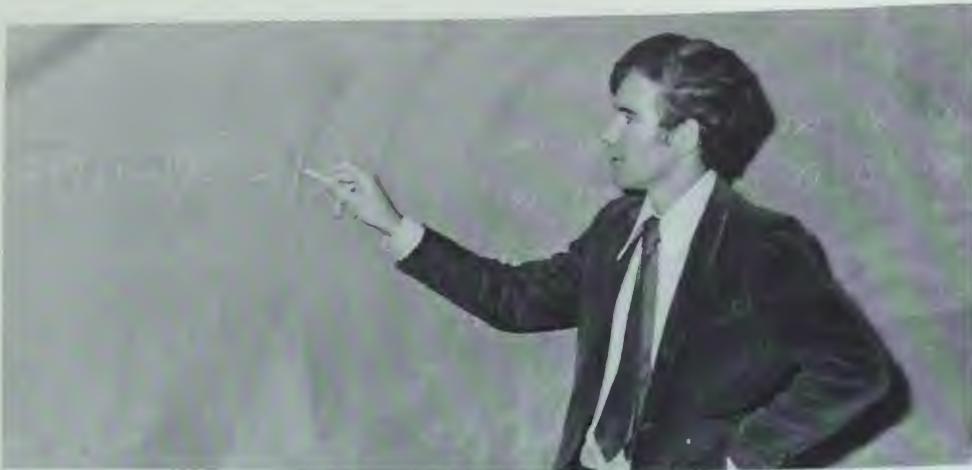

Every word we say to each other
are words we say alone ...
The thoughts we think toward life -
are thoughts we dream of alone ...
and yet, we all go together
Into one, not two, to the years of our
lives -
and it was here
We said those words today
that were heard by us for tomorrow.

Together -
In a twinkling of an eye
We saw our work, our trials ...
Together -
In all disappointment
We saw our failures, our errors ...
But the most remarkable part of it all
Is that we won
and lost and laughed -
and lived ...
Together.

This year-

Look to the seasons-
Spice your life with colors ...
Run the gauntlet of chances
And see if you reach the Spring ...

Next year-

Strive for the warmth of Summer,
Feel the frost of love-
Hold a handful of colors ...
... and learn ...
there's no class of life at all ...
... naturally ...

The game is over -
yet, I still hear the roar
of the crowds in the stands -
the screams and cries
of victory, of defeat ...

These faces I've seen
ten million times ...
Somehow, they are as different
as every moment
of the game I watched.

But nowhere else can be seen
Such youthful, emotional days
as the ones we spend together.
We have lost - and won
together - as a team ...

I can still hear the roar ...

Two Symbols To Remember!

As we go through life, symbols often serve to guide us. Here's two you'll want to remember:

Reddy Kilowatt, meaning your friendly electric servant . . . and the Gold Medallion, signifying the finest in total electric living. Remember them!

Memories

Looking deeply
into the eyes of the past
I found-
A flowing river of peace,
A trace of God
And a door to life.

Searching the caverns of my life on earth
I found-
the fullness of God,
the kinship of my neighbors ...
I tasted the sweetness of forever-
For looking deeply
At my world ...
I found the river,
I walked the path,
I opened the door
to God, to Life ...
And a past as full as it all.

Memories of you
Are the lives of our hearts-
We shall look no further ...

Editor's Note

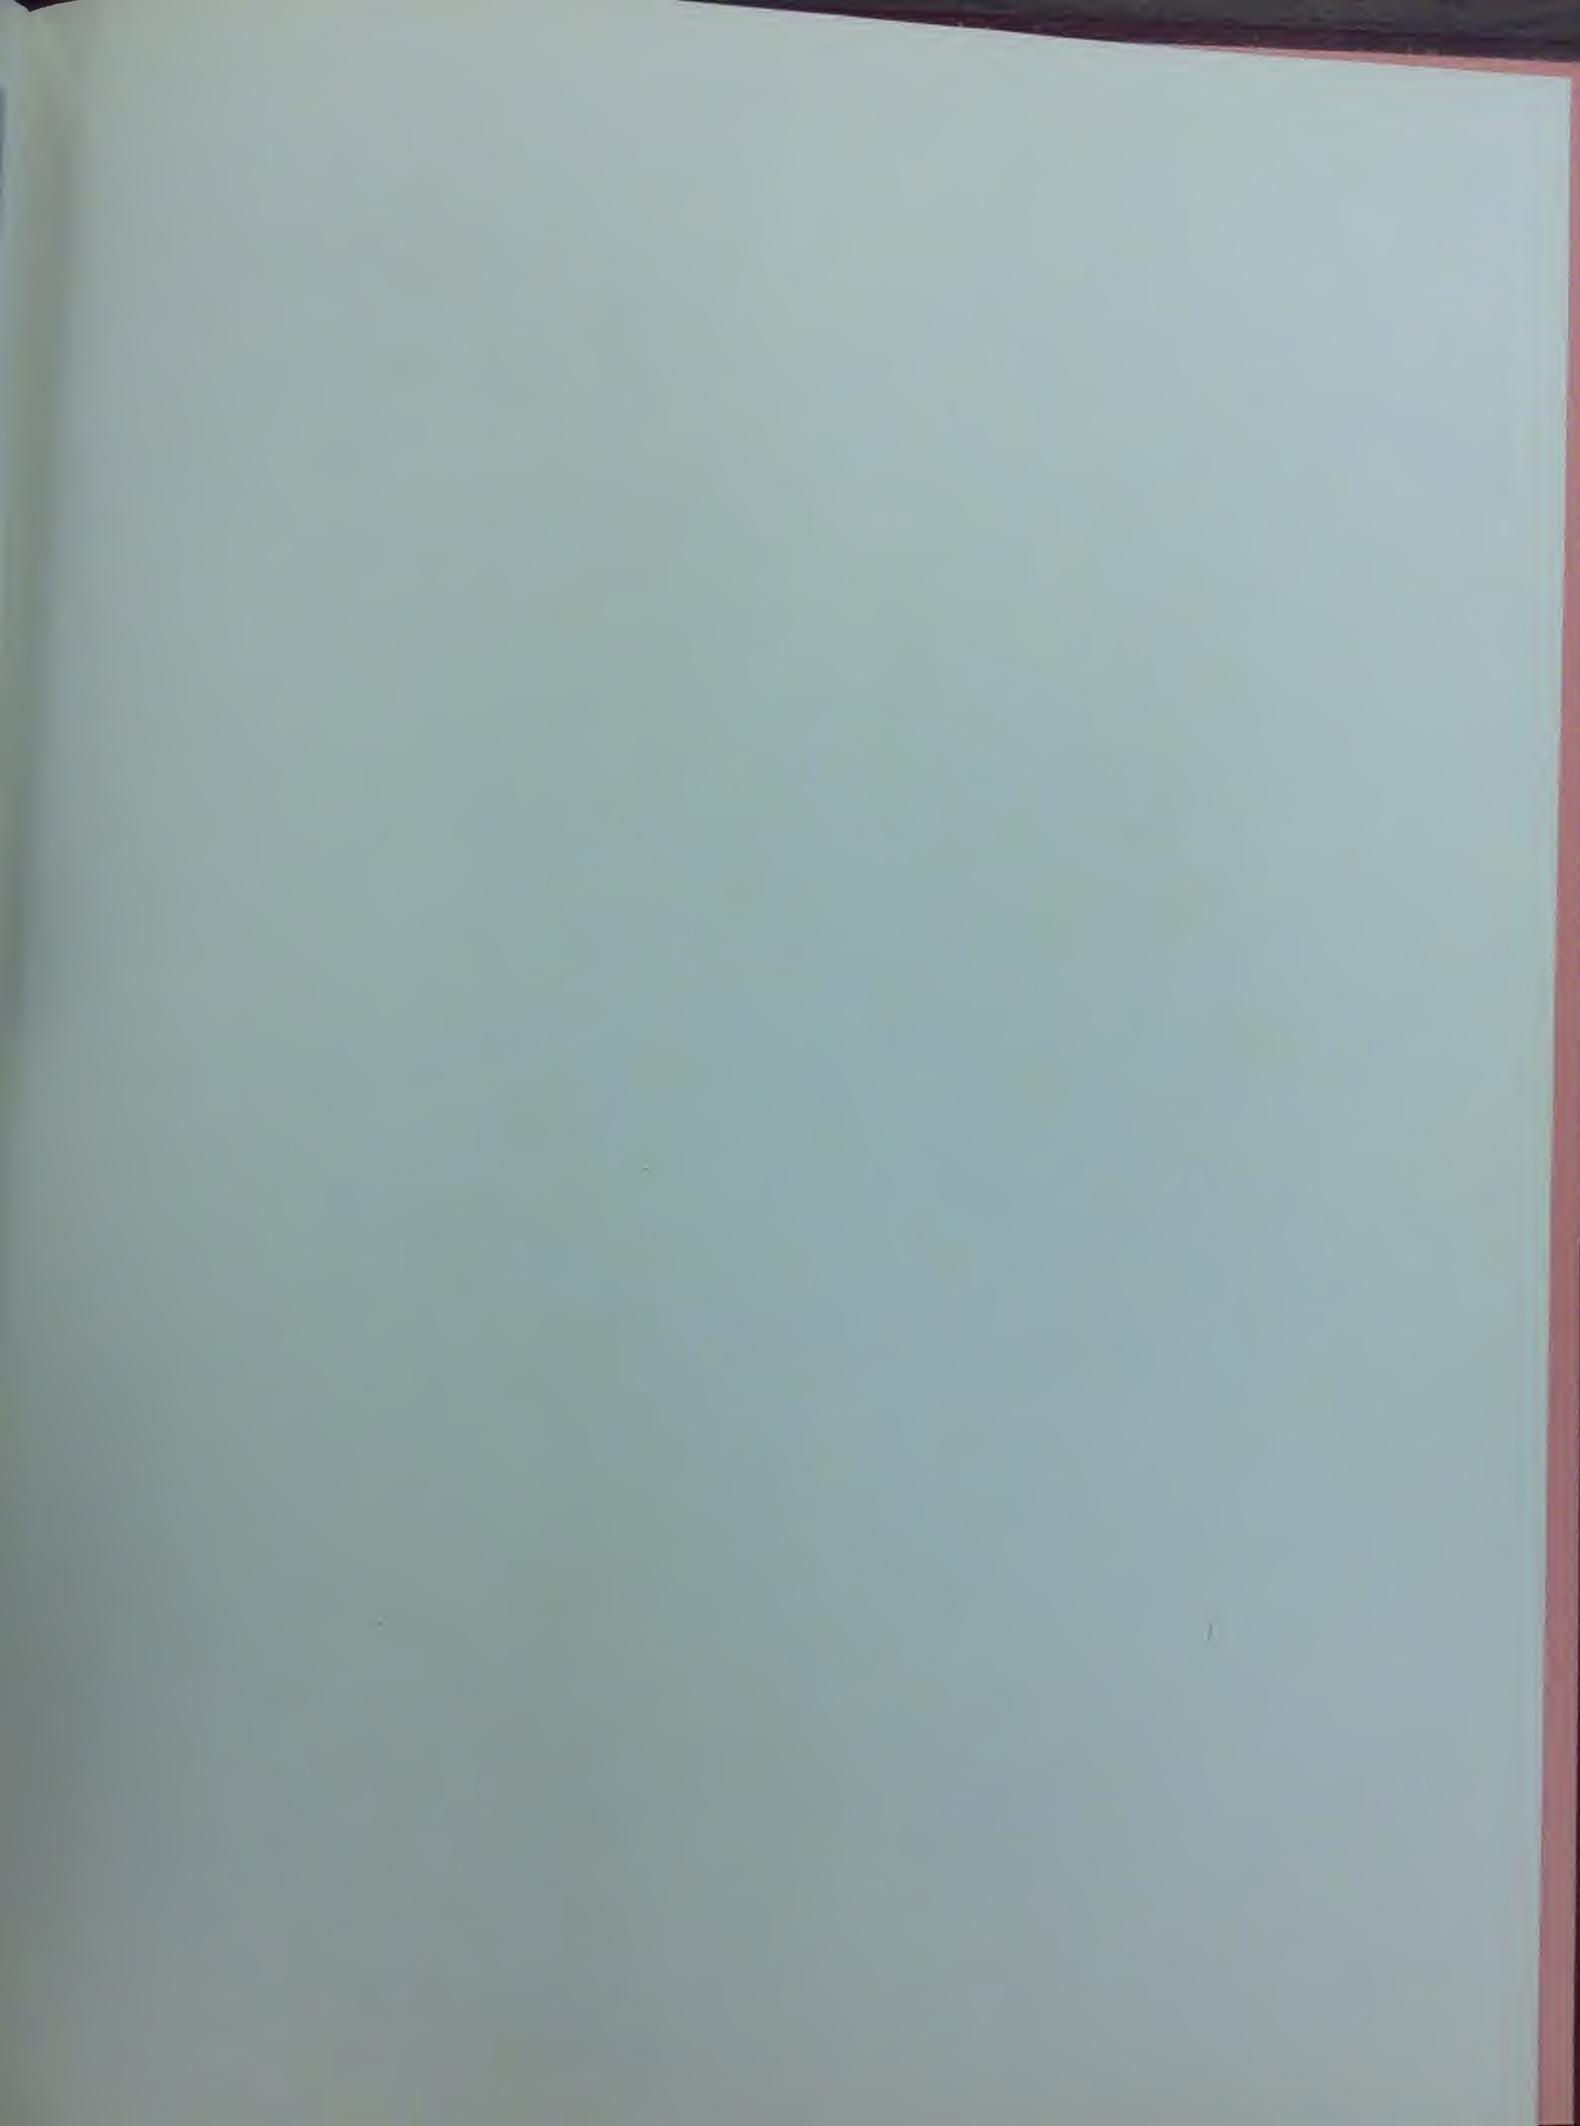

We the Horizons' staff has endeavored to capture some of the past year's most memorable experiences. This yearbook is for you - the students, faculty, alumni, and administration - for without you there would be no H J C yearbook and no remembrances of the times spent at Holmes.

As you turn through these pages and hope to catch a glimpse of yourself, your friends, or loved ones; we hope that you will recall your experiences, achievements, failures, and friends that were part of your life.

We have tried to present to you a yearbook that will be treasured and not forgotten. Some day when you turn through it you will remember the events that made you happiest and the ones that may bring tears to your eyes.

We hope that you are as proud of your yearbook as we are. Many thanks to my staff and advisor, because without their help we would not have it. The staff worked hard on this yearbook and we hope that you will enjoy reading it now and also in the future.

H.J.C. ALMA MATER

A musical score for a hymn or alma mater. The music is written for two voices (treble and bass) in common time (indicated by '4'). The key signature is F major (one sharp). The lyrics are:

All hail to thee,
Oh Holmes J. C.
Al - ma - ter

The score consists of two staves. The top staff is for the treble voice and the bottom staff is for the bass voice. The music includes various note heads (circles, squares, diamonds) and rests, with some notes having stems pointing up and others down. The bass staff features large, stylized letter 'F's at the beginning of each measure.
